

MARK POLOMCHAK SEMINAR

Due to Mark planning to be in the Villages for a couple of months this winter, we were fortunate enough to book him for an additional seminar for 2012. This allows us to have an extra seminar because we will not be responsible for air fare, which is a large portion of our costs. The dates are January 28, and 29, 2012. We are pleased to have Mark teach at our chapter because he is an outstanding teacher, whose classes at HOOT and other conventions are always full. Even if you have never painted in watercolor, please be assured that everyone will leave with a beautiful painting. I had never painted in watercolors when I took a class with him at a convention, and my piece was beautiful.

The cost for each day of the seminar, which includes surface and paint, will be \$70.00. Those members who have not used their red coupons will be able to use them if you register and pay for your seminar before December 31, 2011. As always \$5.00 creative cash may also be used each day. The seminar will be held on at Sausalita Club House in Casselberry. Everyone should plan on bringing a sack lunch
